

Do you have an interest in sustainability, conservation, or ecology? La Hesperia invites you to join us in the Traveling-Volunteering-Learning (TVL) program where participants will discover the wonders of the cloud forest while learning about sustainability and conservation. We offer hands-on experience on scientific data collection, reforestation, making chocolate and coffee, and much much more!

•14 and 8 day programs are available from June 22-July 5 and Aug 3-Aug 10, 2015
